

Budget Unit Brief

FY 2017

DIA - Road Use Tax Fund (RUTF) Appropriation

Purpose and History

The Department of Inspections and Appeals (DIA) receives an annual appropriation from the Road Use Tax Fund (RUTF). This appropriation is transferred to the operating budget of the Administrative Hearings Division. The Division holds contested hearings involving individuals objecting to an adverse action taken by a state department or agency. Approximately one-third of all the Division's contested case hearings involve suspensions or revocations of driver licenses by the Iowa Department of Transportation (DOT) for reasons such as operating while intoxicated (OWI).

Funding

The Administrative Hearings Division has an annual budget of approximately \$3.3 million. For FY 2017, the Division received an appropriation of approximately \$675,000 from the State General Fund.
